Help for non-English speakers

If you need help to understand the information in this policy, please contact the office at Brentwood Park on 9702 2022.

PURPOSE:

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors.

Brentwood Park Primary School considers parents and families as valued partners in the students' development and learning. It aims to create strong partnerships between community services, schools, the broader community and business. It is recognised in this policy that the purpose of the school is an educational institution. The policy will consider:

- the educational purpose and consistency with curriculum objectives and values of public education and age relevance.
- the safety and privacy of students, and any potential risks posed to students by visitors.
- the categories of visitors that will be allowed into the school, and under what conditions.

This policy applies to any visitors who may attend school grounds when the school is open for instruction between the hours of 8:45 to 3:20, and when the office is staffed (8:00am to 4:30pm) to monitor/receive visitors at reception, including parents, DET personnel, allied health personnel, and building/ground contractors. Outside these times, the only visitors who are permitted on school grounds are parents/carers or their delegates who are dropping off or collecting students from Before and After School Care, school events, such as parent teacher interviews, concerts, sport or other school activities, and community and other groups who have entered into contracts or agreements with the school to use school premises outside school hours.

DEFINITIONS:

Child-related work: As defined by the *Worker Screening Act 2020* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

AIM:

Brentwood Park strives to create an open and inclusive school community and encourages parents and carers to be actively involved in their child's development and education. - the safety and privacy of students, and any potential risks posed to students by visitors.
- the categories of visitors that will be allowed into the school, and under what conditions.

Working with Children Clearance and other suitability checks

For Working with Children (WWC) Check and other suitability check requirements relating to parents/carers and other volunteers working with students please see our *Volunteers Policy*.

All visitors who are engaged in **child-related work** must have a valid WWC Clearance. Additional suitability checks may also require such as reference, proof of identity, qualification and work history involving children checks.

In some circumstances, visitors to the school who are **not** engaged in child-related work will also be required to produce a valid WWC Clearance depending on the circumstances of their visit. For example, the school will require a valid WWC Clearance for:

- **visitors (e.g. contractors)**, who will regularly be performing unsupervised work at the school during school hours or any other time where children are present. Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g. a visiting auditor who will be in the front office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g., a prospective parent on a school tour) will not be required to have a WWC Clearance.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check but may be asked to verify that they are sworn officers by providing proof of identification.
